

## 2021 Education Development Fund Attestation

This form must be completed, signed, scanned and uploaded by the PI with the application material by the deadline of March 19, 2021. In the case of Co-PIs, each individual is required to complete this form and submit two scanned separate forms with the application.

### Responsibilities of the PI/Co-PI:

As per the Education Development Fund criteria, this is a seed fund designed to encourage those who are transitioning to, or are newly engaged in educational scholarship. The EDF is meant to fund *faculty members* who are starting out in Education Science. The applicant is to develop and learn about all aspects of the Education Scholarship project and, in doing so, further their career development. It is expected that as Principal Investigator (PI) or Co-Principal Investigator<sup>1</sup>, the grant holder will:

- be the major contributor towards for the direction of the proposed activities;
- be the most responsible for oversight of all aspects of the grant and the study, including overall project design, development, budgetary oversight and completion;
- agree to provide interim and final reports and present a poster on their project at the Wilson Centre Research Day (further dissemination where possible is encouraged);
- provide confirmation of final ethics approval (if applicable) should their project be selected for funding;
- be the primary contact for the project and receive all related correspondence from the EDF; and
- be provided to a maximum of \$10,000 per project with matched funding from their home department. Funding will be provided for one year, effective June 30, of the year of funding, and is non-renewable.

### Previously Funded Projects:

Principal Investigators must not have served as PI on more than two previously funded education research grants. Education Scientists are eligible as Principal Investigators within the first three years of their academic appointment and must have not received more than one previously funded education research grant. The attestation below ensures that you are aware of and adhere to these terms.

Please fill out the appropriate category:

Education Scientist

I, \_\_\_\_\_, agree to serve in the role of Principal Investigator on this grant and attest that I have not served as ***Principal Investigator*** on more than 1 previously funded education research grant.

Clinician Educator

I \_\_\_\_\_, agree to serve in the role of Principal Investigator on this grant and attest that I have not served as ***Principal Investigator*** on more than 2 previously funded education research grants.
