The \$15K Challenge awards \$15,000 to organizations working to advance the health of women and girls in Ontario. Funding is available for one year to support research projects that address women's health issues at the local level.

Please note the following changes to our funding criteria:

- If you currently hold a \$15K grant from Women's Xchange, your funded project **must be completed** before you can reapply
- Principal Investigators can only hold one \$15K grant a time

For more information on eligibility criteria and how to apply, please visit our new website <http://womensxchange.womensresearch.ca> or e-mail: [info@womensxchange.ca](mailto:info@womensxchange.ca).
