CAAIF Research And Fellowship Opportunities

January 27, 2021 • Reply to Laura Weir

The Canadian Asthma, Allergy and Immunology Foundation (CAAIF) is a charitable foundation whose mission is to invest in research leading to new and better treatments that improve the lives of Canadians living with allergy, asthma and immunologic diseases.

Asthma Canada is the only national, volunteer-driven charity, solely devoted to enhancing the quality of life for people living with asthma and respiratory allergies.

CAAIF Research Fellowship in Type 2 Inflammation supported by Sanofi Genzyme Canada

The objective CAAIF Research Fellowship in Type 2 Inflammation is to:

- Increase Canadian research capacity in the area of Type 2 Inflammation,
- Support the research career of promising researchers, and
- Produce high-quality research in Type 2 Inflammation

- **Duration of awards**: One year
- **Award amount**: $75,000

Asthma Canada/CAAIF Graduate Student Awards

The objective CAAIF Research Fellowship in Type 2 Inflammation is to:
- Create value-added opportunities for the training, education and professional development of graduate students
- Ensure continued improvement of asthma treatments and progress towards finding a cure for asthma.

- **Duration of awards:** One year
- **Award amount:** $20,000

**IMPORTANT DATES**

- **CAAIF deadline for final applications:** 11:59pm EST, April 26, 2021 (MRA required)

The internal MRA requirement is for all applicants applying for this award through the University of Toronto. For all other applicants, please contact the Research Office of the institution through which you are applying.
