RE: Access to Medical Sciences Building Multi-Faith Room

Dear University of Toronto Temerty Faculty of Medicine learners, staff and faculty members,

Please be advised that the following changes have been applied to the Multi-Faith Room of the Medical Sciences Building at 1 King's College Circle:

1. The use of the Multi-Faith Room was previously a resource for Faculty of Medicine MD students. It is now open to anyone who wishes to use it.

2. Although the Multi-Faith Room had been closed due to the pandemic, this room will be open and ready for use as of Wednesday, February 24, 2021. The following health and safety measures have been put into place:
   a) Hand sanitizer and room capacity signage (a maximum of 1 person at a time).
   b) Caretaking will clean high touch surfaces (primarily doorknobs) twice daily as per Public Health recommendations.
   c) The door to the Multi-Faith Room will be unlocked, 24/7 (as other public areas in the Medical Sciences Building) and building patrol will check the room sporadically overnight (8pm to 5am).

If you have any questions or concerns, please contact the Office of Inclusion and Diversity at medicine.oid@utoronto.ca, or Space Planning at space.med@utoronto.ca.

Best,

Termerty Faculty of Medicine Office of Inclusion and Diversity
