

APPLICATION FOR TEMERTY UKRAINE-TORONTO EDUCATION & COLLABORATION FUND

PURPOSE

To support young emerging health leaders in Ukraine and the University of Toronto's Temerty Faculty of Medicine in Canada through collaborative research and educational programs, initiatives and activities

Examples of initiatives may include, but are not limited to:

- Collaborative research or educational projects that are co-led by researchers at Temerty Medicine and in Ukraine
- Capacity building trips to Ukraine led by Temerty Medicine faculty member(s)
- Support for Temerty Medicine learners (medical students, clinical trainees, residents, fellows, graduate students) working on projects with demonstrated potential for impact in Ukraine
- Steps to build a network of colleagues interested in a sustained relationship with Ukraine

PROJECT REQUIREMENTS

Project Leader:

- Faculty member of Temerty Faculty of Medicine

Collaborators must be:

- Citizen(s) of Ukraine, living and working in Ukraine
- Member of a Ukrainian Medical Institution - MD and/or PhD at recognized Medical University/Hospital/Research Institute in Ukraine
- Proficient in English language
- Practicing clinician, Medical Educator, Researcher

OTHER TERMS AND CONDITIONS

Maximum Grant: \$75,000 CDN (to support up to 2 years maximum)

Applications to be submitted as one PDF package by 11:59pm on September 30, 2021 to medicine.advancement@utoronto.ca. Late applications will not be considered.

The outcome of the competition will be announced by December 2021, and successful applicants will be notified directly.

Funding may not be used to cover costs of equipment or for registration fees for international conferences. Recipients may hold other grants and funding toward the project.

The committee will only review one application per person. Successful applicants may re-apply after two years.

Reporting requirements:

Upon successful receipt of a grant, the Project Lead and Collaborator will be required to submit a status report on outcomes and impact including a summary of work completed and budget reconciliation at the end of the funding period.
